Varsity Baseball Coach Koentopp

The 1966 Varsity Baseball Team has performed very well. Though we had a small pitching staff, they managed to do an extremely good job. With Steve Randall leading the way in hitting, we have managed to score quite highly. The boys on the team have worked hard and long, putting forth every effort and showing an intense desire to win.

I hope that next year we will be able to have as good a team as the one we had this year. The boys who will be returning show great promise and I feel confident that we will bring the C.I.F. championship home next year.
