

HART 1974 VARSITY

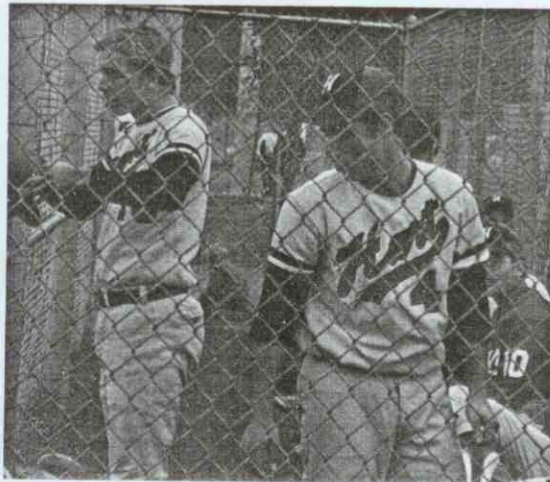

# Clobbered Canyon

## Cowboys stood in awe as

Hart Indians went all the way to the C.I.F. finals this year. During the 1974 season the Varsity Indians were victorious 9 times with only 1 tie and 1 loss to put them into the C.I.F. playoffs. Once at the finals the war party was not as victorious as had been anticipated however, they gained the experience of playing against Californias best high school teams and won the right to be called one of the best teams around. Many thanks go to Coach Murray who continued to push the boys through vigorous workouts so that they could attain this high degree of excellence.
