

HART 1978 VARSITY BASEBALL

78

"Take Me Out

to the ballpark..." was the cry of students, parents, and friends for the '78 baseball season. The varsity team consisted of many new talents. Sophs and juniors made up the majority of the team. Coach Murray used this season to rebuild for the following years. In the varsity division, Rod Provost and Kirk Cesena were voted captains; Doug Rostykus was elected most inspirational; Pat Henry captured the M.V.P. award; and the "Jim Sutton Memorial Award" was given to Peder Neilsen.
